*Leadership skills and
Networking are Key to
any Business.*

Leadership Colleyville is a Chamber sponsored administrated program which provides working professionals with a greater understanding of how communities are strengthened when residents and business owners interact with the system. Whether you are a new executive, entrepreneur or a seasoned professional Leadership Colleyville pro-

Program Content and Dates

Mission Statement

of Leadership Colleyville:

To grow and connect leaders who are committed to enhancing and advancing our local community and businesses of the Colleyville area.

Program Goals:

- Improve leadership and grow future leaders for the community
- Create involvement in the community
- Help grow Business—focus on a balance between individual and community growth
- Help participants understand how the various topics impacts our community and give them an opportunity to engage in a piece of the process
- Understand the flow of services in the community—who, what, why and how it all fits together.
